

## **Position Vacant**

### **OHS CONSULTANT**

#### **The Company**

Recovery Partners is an award winning provider of Rehabilitation and OHS Services. If you want to work for a company that fosters a positive working culture, Recovery Partners is for you. We employ a range of dynamic, energetic professionals who are dedicated to achieving results whilst having fun. The team includes psychologists, exercise physiologist, OT's, physiotherapists, Safety consultants and assorted admin specialists. Feel free to contact any of our existing staff for a chat about our company. All staff profiles and contact information are located on our website [www.rrp.com.au](http://www.rrp.com.au).

Due to growth from continued customer satisfaction, we are seeking an Occupational Health and Safety Consultant. This position is located at our Blacktown office.

#### **The Role**

This is a broad, autonomous role whereby you will be responsible for delivering OHS services. Services include; audits, system development, training, implementation programs and day-to-day services. You will be servicing clients in the Sydney metropolitan region. There may also be occasional interstate travel. You will be involved in all aspects of the business including sales, marketing, planning and strategy. You will be provided with solid training in all aspects of our business. Our OHS Manager will support you, but you will largely work independently with Recovery Partners' clients.
