

Billy Wood

Recovery Partners

Billy is an Occupational Therapist who has worked in the Occupational Rehabilitation industry since 2008 providing same job/same employer injury management. He studied for his Bachelor of Applied Science (Occupational Therapy) at the University of Western Sydney and has gained training and experience in the following areas:

- Advanced RTW Coordinators Course
- FCE accredited by Workhab
- Comcare accredited
- Workplace Assessments
- ADL Assessments
- Ergonomic Assessments
- Job seeking assistance

Billy maintains a client centred approach to achieve positive return to work results for all stakeholders.

Billy enjoys working closely with employers to facilitate return to work goals.
