

Recovery Partners

Greg Shipp

When Greg agreed to work with Recovery Partners, it was a real coup for the company. With his dedication and experience Greg has in the injury management industry, he came on board as a senior consultant and has been with the firm for several years.

Greg's formal qualifications include:

- a Bachelor of Applied Science (Physiotherapy), Sydney University.

Over the years he has added to his expertise by completing:

- a Diploma in OHS, Certificate IV in Assessment and Workplace Training,
- WorkHab FCE,
- NSW Motor Accidents Scheme and Service Providers,
- Comcare Accreditation,
- Office OH&S and Ergonomics and;
- OHS Risk Management for Supervisors and Managers.

Greg has a genuine understanding of his client's injuries and therefore is sympathetic to their needs. Because of this he continues to achieve great results for all concerned.
