

Jo Foster

Recovery Partners

Jo is an experienced Occupational Therapist. She graduated in 1992 and has specialised occupational therapy roles including clinical rehabilitation for people who have sustained spinal cord and other neurological and orthopaedic injuries, driving assessments, CTP rehabilitation advising, injury management within the WorkCover and Motor Accident Authority schemes as well as medico-legal report writing for activities of daily living and functional assessments.

Throughout these roles, Jo has also gained valuable experience in supervision and mentoring staff, building and maintaining relationships with customers and achieving successful outcomes for all parties.

Jo's formal qualification Bachelor of Applied Sciences (Occupational Therapy) obtained through The University of Sydney. She has added to her expertise by completing:

- and maintaining her accreditation status of AccOT through OT Australia
- Certificate IV in Assessment and Workplace Training
- Physical Work Performance Evaluation (PWPE) Training
- NSW Motor Accidents Scheme and Service Provider Workshop Training
- Driver Assessment and Rehabilitation Training and is registered with the RTA

Jo loves a challenge and strives to achieve great outcomes. Her background in clinical practice and injury management assists her in understanding her client's needs and developing strategies on how to facilitate results.
