**Recovery Partners**

Jitka joined Recovery Partners in August 2010 to assist their Return to Work Same Employer Team. Prior to working for Recovery Partners, Jitka worked for almost two years for a rehabilitation provider in Sydney assisting injured workers returning back to work and overseeing the quality of ergonomic services. Jitka has gained experience working in various positions in the following industries: hospitality, customer service, product promotions, child care and health care.

The extensive knowledge gained from a large variety of industries enables Jitka to easily build rapport with clients from various cultural backgrounds and professions.

Jitka has completed a Masters of Occupational Therapy (Hons) at the University of Sydney. Her other formal qualifications include: Advanced Diploma in Children's Services, Return to Work Coordinator and Masters of Special Needs that she completed in her hometown of Prague.

Jitka believes in involving injured workers in the rehabilitation process as it provides a sense of control and choice. This approach assures timely return to work and ultimately improves outcomes for employers.

Outside work, Jitka enjoys the company of her friends, good food and wine, the great outdoors, movies, photography and reading fictional books.
