

## Recovery Partners

# Simon Lloyd

Simon Lloyd joined Recovery Partners in October 2007 and was promoted to Senior OHS Consultant in June 2009. Simon's expertise allows him to offer a holistic range of services to his clients in Occupational Health and Safety, Return to Work Co-ordination and Claims Management.

Simon's experience in manufacturing, construction, distribution, labour hire and his current role has exposed him to a wide variety of work environments.

Simon's vast experience in management has given him excellent people skills, enabling him to work with people on all levels to achieve set goals.
