FEATURED PRODUCT

SAFETY BOX

As a small business you put your energy and your passion into differentiating your business and building success. Therefore the only outside the box thinking you want to be doing is that which helps you grow! Effective Occupational Health and Safety (OHS) processes can be a big drain on the resources available to small businesses. So to enable you to focus on the bigger picture, we've developed an 'in the box' solution that simplifies safety for you. Each SafetyBox contains;

- A fully compliant Occupational Health & Safety Management System
- A complete set of Occupational Health and Safety Policies, Procedures and Forms
- A CD with electronic versions of all policies and forms to easily customise for your business
- A sign in register for visitors and contractors with lanyards to wear
- A First Aid Kit with signage for internal noticeboards
- An outline of the New OHS laws for 2012
- An OHS documents management folder
- Full instructions
- Free phone support

TRAINING DATES

12 Month OHS Training Program

Our 12 Month OHS Training Program provides your employees with ongoing assistance on a yearly basis in the areas of OHS, Worker's Compensation and Injury Management. Recovery Partners can also provide you with legal advice within these areas to ensure your compliance with OHS Laws.

The program is designed to fit the needs of your business and the level of involvement that you require. It is completely customisable to your specific needs, so feel free to discuss your requirements with our consultants at any time. You can rest easy knowing that your OHS Training commitments are booked in and ready to go.
